Destiny: ____/1		

Weapon	Quality Test	Weapon Qualities	Damage	Bulk
---------------	---------------------	-------------------------	---------------	-------------

Qualities: Deadly Shot: All bows, crossbows, and starlocks you wield gain Piercing 1 or increase their existing Piercing quality by 1. In addition, these weapons gain the Vicious quality.

Deft Hands: When armed with a weapon that has the Reload quality, you may reduce its reload time from one Greater Action to one Lesser Action, or from one Lesser Action to one Free Action.

Sinister: During the first round of a combat or intrigue, your opponents take -1D on all Fighting and Persuasion tests made to attack or influence you.

Flaws: Poor Health: When testing Endurance to remove injuries or wounds, reduce your test results by -3.
